

A background image showing several women in a sports setting. In the foreground, a woman with dark hair tied back, wearing a pink and black athletic top, is looking upwards and to the left. Behind her, another woman in a bright pink polo shirt is visible, and further back, a woman in a dark blue polo shirt. The background is slightly blurred, suggesting an indoor sports facility.

# **Sharing of System Partner Action Plans**

## Why We're Sharing These Sustainability Strategies & Action Plans

To provide inspiration and guidance for partners creating or updating their own documents.

Examples represent:

- A range of organisation sizes.

- Different stages of the sustainability journey.

- Both professionally produced and in-house approaches.

These are **not templates to copy**, but ideas to adapt to your own context.

The collection is not yet fully representative – we are still seeking examples from smaller partners.

We will be working with BASIS to develop several resources that support System Partners with their Sustainability & Action Plans. These will be available later this year and promoted to you through a range of channels.
